

JOURNEYPERSON ELECTRICIAN (2 positions)

The organization

15 June 2022

Atlantic Minerals Limited (AML) is a leading producer of chemical grade limestone, chemical grade dolomite and construction aggregates. Our quarry located at Lower Cove on the Port au Port Peninsula in Western Newfoundland (approximately 40 km west of Stephenville, NL), operates on a seven-day per week and twenty-four hour per day schedule for most of the year and employs approximately one hundred employees. AML exports all materials by vessel from its marine terminal located adjacent to the quarry. (Visit www.atlanticminerals.com for additional information.)

QUALIFICATIONS REQUIRED: Completion of High School (or equivalent) and completion of a red seal industrial or construction electrician certificate is required. A general knowledge of PLC systems and variable speed drives would be an asset. Possession and maintenance of a valid driver's licence is also required. Candidates must also be able to provide an acceptable Criminal Record check and Drivers abstract.

EXPERIENCE REQUIRED: Significant industrial electrical experience preferably in a mining setting would be an asset.

The successful applicant will be required to participate in **shift work**.

PLEASE NOTE: All applicants are required to submit an **Atlantic Minerals Limited Application form** outlining their qualifications and experience. This application form is available at www.atlanticminerals.com and then by clicking on "Careers". Please quote Competition number **22-024** and **22-025** when applying.

Applications should be **emailed to careers@atlanticminerals.com or faxed or mailed to:**

Human Resources Department

Atlantic Minerals Ltd.

22 Commercial Street
